# WELLBEING

(OPTIONAL)

We recommend engaging with the natural landscape whilst conferencing with us. Recharge the battery, feel the wind in your hair and revitalise before important meetings. Choose from activities like surfing, guided shore walks, tree planting, golfing, yoga, sea swims, sauna etc.

Prices available on request.

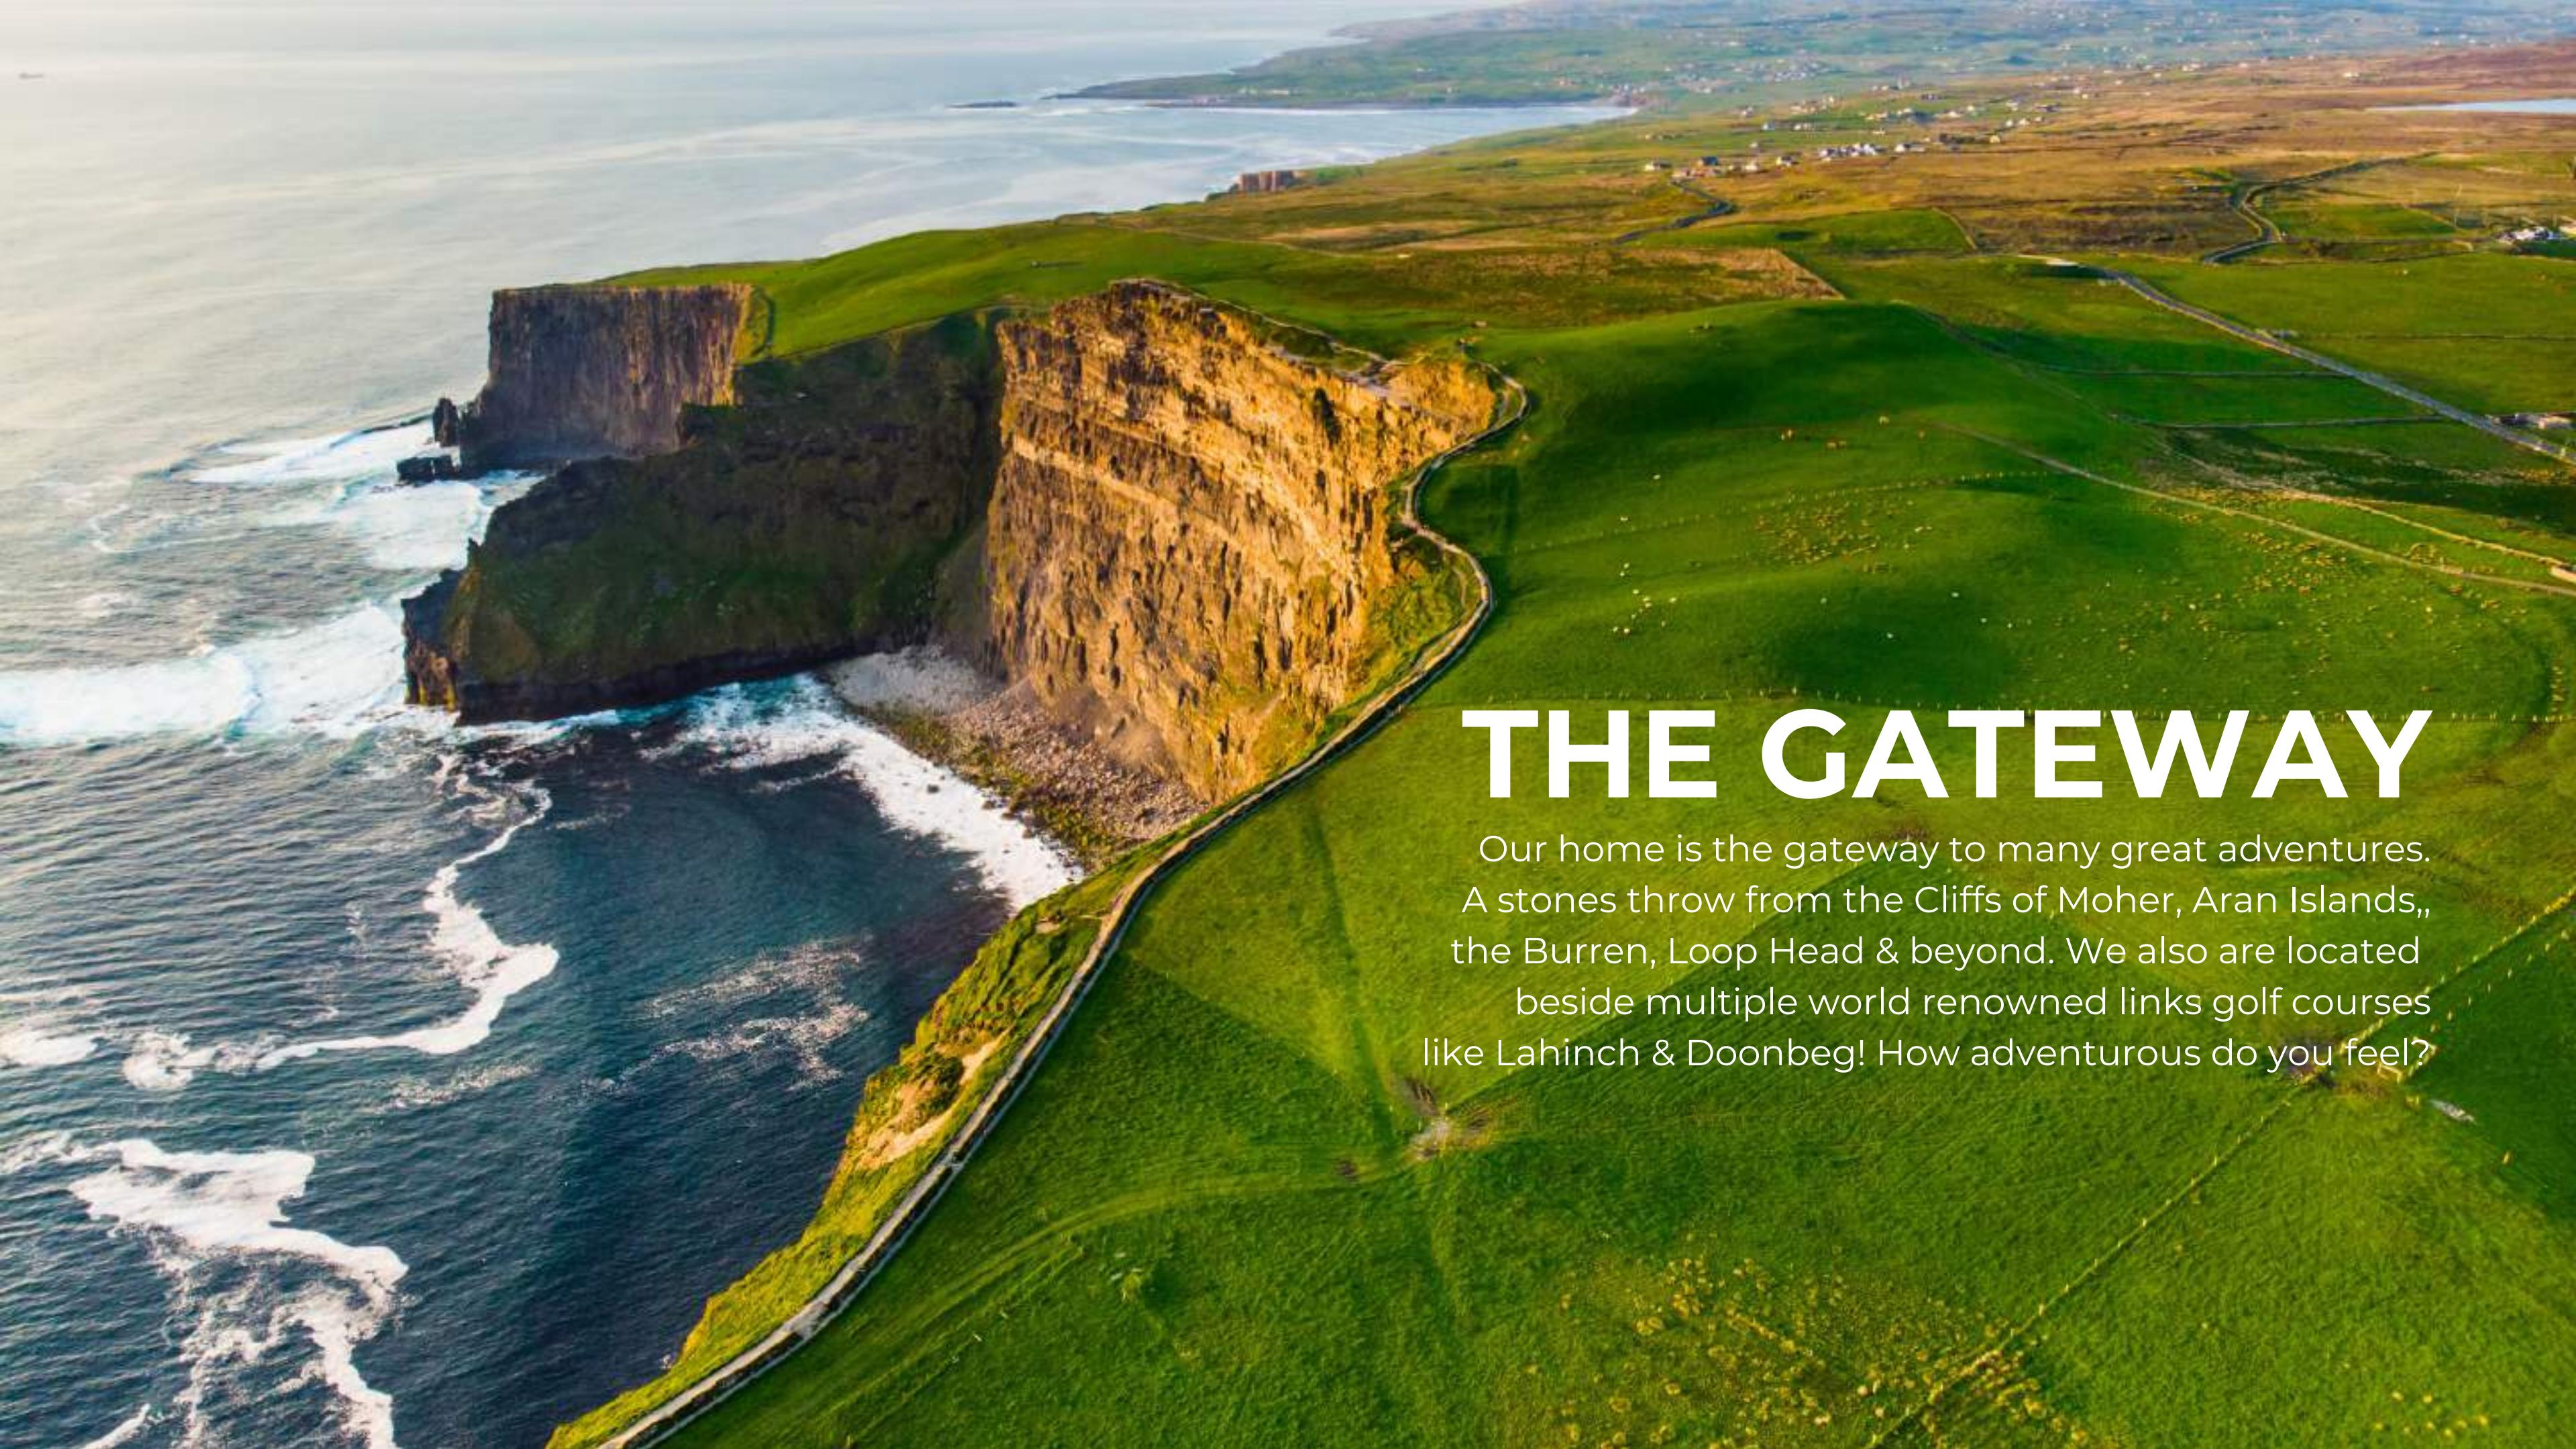

# ESG FOCUSED

ENVIRONMENT, SOCIETY & GOVERNANCE

We are leaders, trail blazers in the ESG space nationally and internationally, setting the bar for what is possible.

The image is a wide-angle aerial shot of the Cliffs of Moher in Ireland. The cliffs are massive, layered rock formations that drop sharply from the top of the image down to the ocean. The top of the cliff is covered in green grass and some small buildings. Below the cliff, a winding road follows the coastline. The ocean is visible on the left, with white-capped waves crashing against the rocks. In the background, there are more green fields and a few small towns or villages. The lighting suggests it's either sunrise or sunset, with warm light hitting the cliff faces.

# THE GATEWAY

Our home is the gateway to many great adventures. A stones throw from the Cliffs of Moher, Aran Islands, the Burren, Loop Head & beyond. We also are located beside multiple world renowned links golf courses like Lahinch & Doonbeg! How adventurous do you feel?

# SUSTAINABILITY

A black and white photograph of a rugged coastline. In the foreground, a large, dark rock formation stands in the water. The ocean waves are visible, crashing against the rocks. In the background, a castle or fortification is built into a rocky cliff overlooking the sea. The sky is overcast.

# WE'RE PROUD TO BE IRELANDS FIRST **BCORP** HOTEL

We've recently joined Ireland's small but powerful BCorp community & in doing so have become Ireland's first BCorp hotel & destination.

BCorps stand for much more than environmental impact, BCorp certification also accounts for the impact we have on our community, customers, and team members.
