

Our wines have been carefully chosen to complement the menus chosen by our team, led by Charlie Estrada.

We want every glass of wine served here to be enjoyed to the maximum so please let us know if, for whatever reason, you are not enjoying your wine experience and we will endeavour to find you a replacement to suit.

Along with choosing the best tasting wines, we have also, worked to include many organic and biodynamic wines on this list, but even more so, we have taken the time to source wines produced by businesses that work to B-Corporation standards, a standard the Armada aspires to. 'B-Corp' companies, balance purpose with profit, making a positive difference to those engaged with it, including community, employees and suppliers, to set a new standard of good business practices.
